Itinerary:

18 June 18, Departure at 9pm

Seward, Alaska - Best known for its beautiful parks and mountain scenery, Seward, Alaska is not to be missed. There is nearly an endless variety of outdoor activities to enjoy in Seward, from mountain biking and climbing, to rafting, sea kayaking, and dog-sledding, and even skiing, fishing or white water rafting. Explore scenic hiking trails or have a picnic among the pristine landscape. There's no shortage of enjoyable pastimes in Alaska's City of Seward.

19 June 18, Cruise Hubbard Glacier

Get up close and personal with the gigantic Hubbard Glacier, North America's largest tidewater glacier. It's 1350 square miles of blue ice and one of the most active in Alaska.

20 June 18, Icy Strait Point, Alaska 9am – 6pm

The Icy Strait Point experience combines authentic regional culture with incredible natural beauty. Enjoy Tlingit dancing and art. Or get closer than you'd ever imagine to humpback whales and brown bears in the wild. Work up a wilderness hunger and satisfy it with fresh Dungeness crab. Take a cruise from Icy Strait Point and enjoy Alaska's awe-inspiring scenery and the many excursion options that Norwegian Cruise Line has to offer.

21 June 18, Juneau, Alaska 7am – 1:15pm

Juneau has been called "Alaska's peak experience," certainly due in part to its unparalleled glacier viewing from such places as Tracy Arm Fjord, the Juneau Icefields and Glacier Bay National Park. Kayak up one of the area's many protected waterways, go flightseeing, tour historic downtown or try your hand at panning for gold. The majestic Mendenhall Glacier lies nearly 12 miles outside Juneau, a trek worthwhile.

22 June 18, Skagway, Alaska 7am – 5pm

In a single year from 1896 to 1897, this remote town along the Inside Passage grew from a few tents to a city of 20,000 gold seekers. Today, travellers come in search of other riches - to experience yesteryear along Skagway's charming boardwalk lined with buildings that replicate those Gold Rush days.

23 June 18, Ketchikan, Alaska 1pm – 8pm

Its Tlingit Indian name, Kach Khanna, means "spread wings of the eagle." Chances are you'll see one of these magnificent birds perched atop a Sitka tree. Thanks to its abundant rainfall, Ketchikan is surrounded by some of the world's most lush wilderness.

24 June 18, Cruise Inside Passage

Get ready for amazing views and wildlife like nowhere else as you sail through the islands of Alaska's Inside Passage.

25 June 18, Vancouver, British Columbia 8am

Positioned between the snow-dusted North Shore Mountains and the rich, blue waters of the Pacific Ocean, Vancouver blends big-city sophistication with small-town charm. Don't miss Queen Elizabeth Park - a 130-acre civic arboretum accented with sculptures by modern artist Henry Moore.
